Fremont, O., Nov. 24, 1865—47y1. VICTORY OR DEATH! DOCTOR CHIDESTER, of New York, the most Skilltul Eclectic Physician in the country, has visited
this place every ten days for the lasteight weeks, and
has certainly performed cares truly automishing. Three
cases that were pronounced incurable by Physicians in
this vicinity, and also Physicians of the highest skill in
Cleveland, were taken for treatment by the Doctor, who
are now marry well. Out of some slay cases, not one
patient lies complained. They are all improving rapidly
and speak of him in the highest terms. Through the
selicitations of many citizens the Doctor has established
his head office and home here in Framont, where all letters from the country and shroad should be sent.
Will see patients at the Kessler House, Fremont, on
Saunday, Sanday and Manday, April 28th, 28th and 30th,
Patients should come in on the first days, as the Doctor
has so many visitors that a great many are kept waiting
very late. Examinations free, and terms made satisfactors to sil.
All Chronic Discusses treated and cured. Alse all discases of the Eye and Ear.

CERTIFICATES:

FRENOST.—I called on Dr. G. and found his office perfectly througed with patients. Their report of the Doctor's astonishing cures gave use succuragement. For ten years I had suffered with Dyspepsia in its worst form. I took some medicine from the Doctor and first weeks they passed; I am a well man and can rough for many other cases in my vicinity that have been restored to health.

JAMES EDGERTON.—When health.

FREMONT —I had sore eyes for two years and was nearly blind. I tried many Physicians, but presented no lonest. I applied to Dr. Chidester, and he has caret them. I now see as well as I ever did.

I have had the Gravel and Disease of the Kidneys for three years. I have been unside Dr. Chi restment for only six weeks and consider myself a well man.

A. BRAIDEN. Totano.—Hy will has been contined to her bed for eight months with what the Physicians called Turbercular Consumption. They treated her with no success. I had a criebrated Physician visit her from Gleveland. All said the mont die, it was a hopeless case. I then sent for Dr. Chidester, who has treated her case now seven meeks. She is now nearly well, up and around and deling some work.
